

The 12th Annual Kidney Golf Day is organised by the team of Kar K 20, an entrant in the Kidney Kar Rally a major fundraiser for Kidney Health Australia's work and vision to eventually eradicating kidney disease problems. In March for the 7th year Brian McCombe will be patron of the Golf Day. Brian who supports a lot of charities is well know and respected in the entertainment industry. Brian is also a good friend to everyone as he has spent the last 44 years working in the Blacktown area. Under Brian's guidance the kidney golf day is one of the leading events in the area played at one of the best golf courses - Fox Hills.

We look forward to seeing you there!
